Pharmacy Saver Program

• Pharmacy Saver reduces costs for Medicare eligible retirees and employers at nearly 20,000 of America’s most popular pharmacy locations nationwide

• Medicare eligible retirees pay a small copayment (as low as $2). The program features contracted rates at select pharmacies that are lower than the plan sponsor copays. The prices are on specific lists of drugs which vary by participating pharmacy

• The program features contracted rates at select pharmacies that are lower than the plan copay. The prices are on specific lists of drugs which vary by participating pharmacy.

• Members are automatically eligible, no other paperwork required

• 10 of our top 10 most utilized generics are included in the program

UnitedHealthcare’s Member Savings Promise

UnitedHealthcare is committed to providing you affordable prescription drugs. As a member of our Medicare prescription drug plans, you have our Savings Promise that you will get the lowest price available. That low price may be your plan copay, the pharmacy’s retail price or our contracted price with the pharmacy.
Medicare eligible retiree pays $10 copay.

In-network Provider

Medicare eligible retiree pays $10 copay.

Non-network Provider who accepts Medicare assignment

Medicare eligible retiree pays $10 copay.

Provider who has opted out of Medicare in its entirety

Medicare eligible retiree covered only for emergencies - same coverage as supplemental or coordinated plans.

Non-network Provider who does not accept Medicare assignment

Medicare eligible retiree pays $10 copay.

The vast majority of non-network providers will file the member’s PPO claim. If not, the member pays the provider directly and then submits to the plan for reimbursement. If the provider does not accept Medicare Assignment, the member will be reimbursed at the same copay - no balance billing amount is paid by Medicare eligible retiree.

Benefits

- Prevents complications by identifying gaps in care
- Increases adherence to care plan
- More timely, comprehensive and accurate data
- Increases care coordination and collaboration with member’s Primary Care Physician

HouseCalls nurses are employees of UnitedHealthcare

Effective 1.1.16 in California
HouseCalls - How does it work?

Here’s Rosa, Our CalPERS Medicare eligible retiree

Rosa receives a call from our nurse that explains the HouseCalls program. Rosa can opt out or accept a visit. Rosa replies that she would like visit and an appointment is made.

The day before the visit, Rosa receives a confirmation call from the health care practitioner, Mary. Mary, our nurse, is a UnitedHealthcare employee.

Mary arrives at scheduled time. Rosa receives the following:
- a comprehensive examination and assessment
- a complete environmental assessment,
- a comprehensive physical and behavioral assessment,
- a complete review of her current medication, and
- an Ask Your Doctor form to take to her doctor.

After the visit, urgent or moderately urgent needs receive immediate follow up. Her physician receives a summary of the visit. If appropriate, Rosa is referred to care management programs.

Rosa receives an introductory postcard, letter and appointment reminder postcard.
