FULL-TIME FACULTY

EMPLOYMENT POLICY AND HIRING PROCEDURES

The Foothill-De Anza Community College District seeks a qualified and diverse faculty and staff dedicated to student success. The District is committed to an open and inclusive hiring process that supports the goals of diversity and equal opportunity providing equal consideration and opportunities for all qualified candidates.

The faculty, staff, and administration recognize the importance of an effective hiring process that reflects mutual professional responsibility and interest in achieving the common goal of hiring outstanding faculty who best meet the needs of students.

Hiring faculty, classified staff, and administrators is accomplished through search and selection committees which produce a recommendation from the President or appropriate administrator to forward a final candidate to the Chancellor to recommend to the Board for employment.

Hiring Qualifications

The Foothill – De Anza Community College District has established the following minimum hiring qualifications for all faculty positions:

1. Demonstrated sensitivity to, understanding of, and respect for the diverse academic, socioeconomic, cultural, religious, sexual orientation, disability, and ethnic backgrounds of community college students.
2. Minimum qualifications or the equivalent as established by the Statewide Academic Senate and adopted by the Board of Governors of the California Community Colleges which are used by department/program faculty to establish the minimum qualifications for each faculty position. Qualifications beyond minimum qualifications are reviewed by the Vice Chancellor of Human Resources and Equal Opportunity or his/her designee for job relatedness and potential adverse impact on the applicant pool.
3. Commitment to participation in department/program activities and the shared governance of the College.

PROCEDURES

The goal of every hiring process is to select the qualified candidate who best meets the needs of our diverse student population.

Establishing the Position

1. Faculty positions are identified by a process established by each College.
2. Receipt of the Staffing Requisition by Employment Services signals approval to begin the search process.

The position announcement is developed through a collaborative process involving the department/program faculty, the college diversity officer (the Diversity Coordinator at De Anza College or the Dean of Faculty and Staff at Foothill College) and/or an Equal Opportunity Representative, the appropriate administrators, and Employment Services.
2. The position announcement must include the following:
 - a. A statement in accordance with Education Code Section 87360 that requires that all applicants be sensitive to, understanding of, and have respect for the diverse academic, socioeconomic, religious, cultural, disability, sexual orientation, and ethnic backgrounds of community college students. Departments/programs are encouraged to require applicants to explain or submit written materials that provide evidence of such understanding and commitment to diversity.
 - b. Educational requirements as determined by the department/program in accordance with Education Code Section 87356. Additional desirable qualifications that are job related and support the responsibilities of the position may be included. Such qualifications will be monitored by the Vice Chancellor of Human Resources and Equal Opportunity for adverse impact.
 - c. Provision for presentation of qualifications that are equivalent to the minimum qualifications.
 - d. Legal qualifiers established by Human Resources to comply with federal, state, and District regulations.
3. The position announcement may also include preferred qualifications that reflect education, experience, and expertise that would enhance an applicant's

ability to meet the unique requirements and responsibilities of the position and the needs of a diverse student population. Preferred qualifications must be reviewed by the Vice Chancellor of Human Resources and Equal Opportunity or his/her designee to insure that they will not adversely affect the applicant pool.

SEARCH COMMITTEE

Membership

The Committee shall be established by the department/program faculty in consultation with the Dean. Search Committees will normally include a majority of Foothill-De Anza tenured faculty who are experts in the discipline or a related discipline. When clear and compelling academic and/or professional circumstances warrant, other faculty, including contract and part-time faculty, may be included on the Search Committee after consultation between the President of the Academic Senate and the college President. Special circumstances may include but are not limited to the addition of discipline expertise and enhancing the diversity of the committee. The Search Committee may also include other members from outside the department/program as deemed appropriate by the Committee. The Division Dean shall forward a list of faculty designated to serve on the Search Committee to the Academic Senate. All faculty appointments to Search Committees must be confirmed by the Academic Senate.

An Equal Opportunity Representative from outside of the department/program shall be appointed to the Committee by the College diversity office. If the College diversity office is unable to assign a Representative, one may be appointed by the Vice Chancellor of Human Resources and Equal Opportunity or his/her designee.

Every effort must be made to incorporate broad representation on every Search Committee to bring a variety of perspectives to the assessment of applicant qualifications. The Academic Senate shall consider diversity, equity, and discipline/program recommendations when confirming faculty appointments to search committees.

The membership of the Search Committee is also submitted to the college diversity office by the Division Dean. In the event that diversity is not reflected in the Search Committee, the Committee chair and the President of the Academic Senate (or their designees) shall meet with the diversity coordinator who will assist in the identification and recruitment of faculty who may or may not be members of an underrepresented group but who clearly embrace the concepts of diversity and equal opportunity to serve on the Committee.

Additional faculty members identified through this process must be confirmed by the Academic Senate.

SELECTION COMMITTEE

Membership

The Selection Committee is comprised of the President, or his/her designee, the Search Committee Chair, the Equal Opportunity Representative from the Search Committee, and as many faculty from the Search Committee as possible but at least one faculty member

from the Search Committee. The President (or designee) may invite other persons to serve, as he/she deems appropriate (e.g. Vice Presidents, Administrators, Faculty, and Staff). This committee should be balanced in its diversity and will be chaired by the President (or designee). The Selection Committee shall generally have no more than seven (7) members).

Role

The Selection Committee evaluates and validates the candidate's strengths in meeting the needs of a diverse student population and the needs of the division, department/program, and the College.

Responsibilities

The Selection Committee has the following responsibilities:

1. Review interview questions developed by the President to be used in the Selection Committee interview process.
2. Participate at the President's direction in the finalists' interviews to evaluate and validate the academic and professional qualifications of each candidate and his/her strengths in meeting the diverse needs of the students of the division/program.
3. Evaluate the finalists in an open and collaborative discussion. Before a final decision is reached the Equal Opportunity Representative will review the process to determine that all candidates were treated fairly and equally and that the process yielded candidates able to meet the needs of a diverse student population.
4. Advise the President after completion of the interviews. If there is not consensus, the President may decide to interview the finalists a second time; review the interview pool in consultation with the Search Committee for additional finalists; re-open the search; or select one of the finalists. If additional candidates are identified from the applicants and/or interview pool they must be acceptable to the Search Committee to be forwarded to the Selection Committee.
5. In the event that a hiring process results in more than one candidate who meets the present or expected needs in the same discipline, the President may determine to increase the number of available positions. In this event, the members of both the Search and Selection committees shall be consulted before any additional candidate is selected.
6. Each member of the Selection Committee is responsible for maintaining the confidentiality of the interviews as well as evaluative comments made during

the selection process. Such information may be shared only with members of the Selection Committee and the administrators involved. Confidentiality must be maintained permanently. Each member of the committee agrees to accept and abide by the statement of guiding principles as noted in Appendix A.

PROCESS

Recruitment and Advertising

Faculty positions are advertised for a minimum of six (6) weeks. In unusual or extenuating circumstances, the time frame may be reduced to not less than four (4) weeks with the approval of the President and the Vice Chancellor of Human Resources and Equal Opportunity. Where adequate pools of qualified candidates has been demonstrated by strong applicant response in shorter time periods for a particular position or discipline, the posting period may be reduced with the approval of the President and the Vice Chancellor of Human Resources and Equal Opportunity.

Recruitment and advertising strategies are intended to result in a strong pool of candidates that are both diverse and qualified. To that end, position announcements are provided to colleges, universities, and organizations committed to providing equal employment opportunities to a wide range of applicants and to organizations committed to serving underrepresented candidates.

In addition, position announcements are posted to online recruitment sites identified as part of "core advertising" strategies, and are advertised locally and in professional journals and related publications, in *The Chronicle of Higher Education*, and on other Internet sites as recommended by the Search Committee, department faculty and the College President. Department/program faculty and administrators are also encouraged to contact appropriate organizations to assist in identifying qualified candidates and to disseminate information regarding the position.

Applications

Employment Services accepts online applications and supplemental materials until 11:59 PM on the closing date, unless specified otherwise on the job announcement. The application period may be extended at any time by approval of the Search Committee, College President or Vice Chancellor of Human Resources.

Employment Services will review the composition of the applicant pool to ensure that any failure to obtain projected representation for any monitored group is not due to discriminatory recruitment procedures. If necessary, the application closing date shall be extended and additional recruitment shall be conducted. (A "monitored group" means those groups identified by state and federal regulations for which goal development and

reporting are required.) After the pool is approved, Employment Services shall forward all complete online applications to the Search Committee for screening.

Screening

Screening criteria and interview questions must be completed and approved by the Equal Opportunity Representative before the Search Committee can access the applications. Screening criteria are developed from the position description and the qualifications and requirements listed in the position announcement. Screening criteria help members to review each application objectively. The screening criteria must be listed on an appropriate screening form that must be used by each member of the Committee. Each committee member must participate in the screening process.

The Committee selects applicants to interview who will best meet the needs of the students, the department/program, and the College. Committees will consider the special needs of the division/department/program and the student population to be served in the selection of candidates.

The Equal Opportunity Representative reviews the pool selected for interview with the college diversity office to ensure that no screening or selection criteria has adversely affected any monitored group. The Equal Opportunity Representative and the College diversity coordinator may recommend that the search be suspended until steps are taken to remedy the problem. Additional steps may include a discussion with the Vice Chancellor of Human Resources and Equal Opportunity or his/her designee regarding the overall composition of the applicant pool and the screening criteria or procedures that have produced an adverse impact. The Committee may decide to interview additional candidates or recommend that further recruitment be initiated before proceeding.

Interviews

Interviews are scheduled by the Chair of the Search Committee. Each candidate must be provided the same interview information and offered a choice of interview times whenever possible.

All members of the Search Committee must be present for all interviews. If a member misses an interview, that committee member is removed from the Search Committee. If the Committee member is to be replaced by a faculty employee, the appointment must be confirmed by the Academic Senate.

Each member of the Committee documents the interview in a format agreed upon by the Committee.

After interviews are completed members of the Search Committee discuss and evaluate the qualifications of the candidates including how candidates will meet the needs of a diverse student population.

If the Search Committee is not satisfied with the interviewed candidates the Committee may:

- Review the applicant pool to ensure that qualified applicants have not been overlooked;
- If applicable, request to have any additional complete applications that have been submitted since the first review date forwarded for screening;
- Request that Employment Services contact applicants with incomplete applications to request the missing application materials; or
- Extend or re-open the search.

The Search Committee identifies two or more candidates to meet with the Selection Committee for further assessment.

The Equal Opportunity Representative reviews the finalist pool to determine whether any selection criteria or procedures used in the interview phase has had an adverse impact on any monitored group. If the Equal Opportunity Representative believes that adverse impact exists, he/she shall consult with the Committee Chair, the diversity coordinator, and the Vice Chancellor of Human Resources and Equal Opportunity or his/her designee to determine whether additional steps should be taken to ensure equal employment opportunity.

An unranked list of finalists is forwarded to the President who convenes the Selection Committee. The Search Committee Chair returns all the screening and interview forms and all other non-finalists application materials to Employment Services.

All members of the Selection Committee must be present for all interviews and subsequent discussions. If a member misses an interview he/she is removed from the Committee.

Reference Checking

Reference checks must be completed in accordance with the policies and principles of equal opportunity. Reference information must be held in strict confidence within the committee.

Final Selection

The President will make the final decision on the candidates and forward the selected candidate to the Chancellor for recommendation to the Board

The President or designee may extend a tentative offer of employment to the selected candidate pending approval by the Board of Trustees. Any offer prior to Board approval must be clearly stated as a tentative offer contingent on Board approval.
