- 1.2 This *Agreement* shall supersede any rules, regulations, policies or practices of the District. In the absence of specific provisions of this *Agreement*, the adoption or modification of rules, regulations, policies, and practices is discretionary with the District; provided, however, the District shall notify POA prior to any implementation, and shall afford sufficient time to negotiate over the effects of such a change, or to meet and confer.
- 1.3 If any provision of this *Agreement* is held invalid by any court of competent jurisdiction, such invalidity shall not affect any other provision of this *Agreement* so long as it can be given effect without the invalid provision. To this end the provisions of this *Agreement* are severable.
- 1.4 This *Agreement* expresses the entire understanding between the parties with respect to all matters within the scope of representation as defined by the Government Code Section 3543.2 and supersedes all previous agreements between the parties, whether written or oral. During the term of this *Agreement* the parties expressly waive the right to meet and negotiate with respect to any matter, whether addressed in this *Agreement* or not, even though such matter may not have been within the contemplation of either or both parties at the time this *Agreement* was negotiated and executed. Notwithstanding such waiver, if any provision of this *Agreement* is rendered invalid, the parties agree to meet and negotiate upon request of either party for the purpose of arriving at a mutually satisfactory replacement for the invalidated provision. Further, the parties reserve the right to revise or amend this *Agreement*, or any provision thereof, by mutual consent expressed in a written document signed by both parties.

**ARTICLE 2

Service fees shall not exceed the cost of membership dues. If a member fails to authorize a deduction either for dues or for a service fee within the 30 days specified and fails to provide the District with proof that he/she has paid dues or the service fee directly to POA, the District shall automatically commence a deduction for a service fee from the wages of that member.

7.6 **Benefits During Unpaid Status**

A member who has been granted an unpaid leave of absence other than FMLA/CFRA is not eligible for paid insurance benefits under Sections 7.2-7.5. However, the member may continue to receive insurance benefits during the leave of absence by reimbursing the District in advance for the full amount of the premiums for such insurance benefits.

7.9.4 Both the member and the domestic partner must attest to certain facts by completing and signing a Domestic Partnership Affidavit, which includes an Affidavit of mutual responsibility. The "Affidavit for Enrollment of Domestic Partners" is contained in Appendix D. This Affidavit may have potential legal implications under California law, which has recognized that non-marital cohabiting couples may privately contract with respect to the financial obligations of their relationship. Members are advised to consult an attorney if they have questions regarding the potential legal effects of signing the Domestic Partnership Affidavit.

7.9.5 The District may, at its discretion, require supportive documentation satisfactory to the District concerning the eligibility criteria and assertions contained in the Affidavit.

- 7.10.4 Each retired member and every eligible dependent shall upon obtaining eligibility for Medicare, receive benefits under section 7.10.4 in a manner that augments the benefits that the member or dependent could receive from Medicare even though the retired member or his or her eligible dependents fail to claim rights to Medicare benefits. 7.13 **Critical Incident Psychological Services**

After a critical incident, a member can request psychiatric or psychological services or the District Chief of Police may refer a member to psychiatric or psychological screening or other services. Critical incidents include those incidents involving loss of life, a shooting, a hostage situation, or similar traumatic incident. The District Chief of Police may require that a member take up to one workweek off with pay when a member has been involved in a critical incident. A member may request compensatory time off in lieu of cash for overtime worked up to a maximum of 96 hours (12 days). Compensatory time shall be granted at the overtime rate. Any overtime worked shall be reimbursed in

compensatory time off within 12 calendar months following the month in which it was reported on the time report. If at the end of the 12 calendar months period the member has not taken the time off, he/she shall receive overtime pay at the rate that was effective for the member when the overtime was worked. Compensatory time off may not be carried over beyond these 12 calendar months. The member has the option of receiving either compensation or compensatory time off for overtime work.

8.2 **Scheduling**

8.2.1 **Shift Rotation**

8.2.1.1 Members shall select shifts approximately every twelve (12) months.

8.2.2 **Vacation Selection**

8.2.2.1 Members shall select two periods of vacation leave annually.

8.2.2.2 After the initial selection by each member, requests for use of vacation leave at times outside the periods initially selected shall be considered on an individual basis by the Chief of Police.

8.2.3 Members will be assigned selection times for scheduling shift rotation and vacation selection based on seniority. If a member fails to make his/her selection at the assigned time, that member will wait until all other members have made their selections.

8.2.4 **Overtime**

8.2.4.1 Members will have first opportunity for overtime that is designated for members.

8.2.4.2 All overtime will be posted in advance for a seventy-two (72) hour period (date and time stamped).

8.2.4.3 If no police member has signed up for the overtime within seventy-two (72) hours, the overtime will be made available to members of other bargaining units (currently, the Police Sergeant who is a member of the Teamsters' Local 287).

8.2.4.4 If overtime becomes available within seventy-two (72) hours of the start time, on-duty members will be offered the overtime first. **ARTICLE 9
HOLIDAYS AND VACATIONS**

9.1 Holidays

There are seventeen paid holidays each year including all legal school holidays. These include the holidays listed below as designated for each school year. Members shall be entitled to any other holiday declared by the President or the Governor that provides for community colleges to be closed or any holiday approved by the Board of Trustees.

- Independence Day
- Friday before Labor Day
- Labor Day
- Veterans Day
- Thanksgiving (2 days)
- Christmas Eve
- Christmas Day
- Day After Christmas
- December Holiday (2 days)*
- New Year's Eve
- New Year's Day
- Dr. Martin Luther King, Jr. Day
- Lincoln's Day
- Washington's Day
- Memorial Day

*Effective July 1, 2017 academic year, it is the District's desire to be closed for business from Christmas Eve through New Year's Day.

When the holiday falls on a Sunday, it shall be observed on the following Monday. When a holiday falls on a Saturday, it shall be observed on the preceding Friday unless another day is provided for by the Education Code or agreed upon by the parties. When a holiday falls within a member's vacation, the holiday will not count as a day of vacation.

To be eligible for holiday pay, a member must be in paid status either the working day before or the working day following the holiday. Each member who is not regularly scheduled to work on the day on which the holiday falls shall be entitled to observe the holiday on another workday designated by the District unless the member and the supervising manager mutually agree upon a different workday.

Members who are required to work on the December Holiday shall be entitled to a floating holiday to be taken between January 1 and June 30. The floating holiday will be scheduled by mutual agreement between the member and supervising manager. A member who do not take the floating holiday by June 30 will forfeit the holiday, unless

the member was unable to schedule the day off due to staffing shortages or department or District needs, in which case the holiday shall be converted to compensatory time.

9.2 Vacations

9.2.1 Probationary Members

No member may use vacation time until the first of the calendar month after he/she has completed six months of employment in the District, and all hours of vacation credited to a probationary member during his/her first six months of employment shall be contingent upon the member's completion of six months of employment. Therefore, a probationary member who leaves the service of the District before completing six months of employment will receive no vacation pay. Terminating members who have completed more than six months of employment will be paid for that portion of their earned vacation, which they have not used. When a member terminates, the last day actually worked by the member shall be the effective date of termination.

9.2.2 Earned Vacation

Full-time members shall earn 6.66 hours of vacation for each calendar month (10 days per 12 month year) completed in the service of the District. If a member joins the District staff after the tenth calendar day of the month, vacation will be prorated for the duration of the month.

Members who have been continuously employed by the District for a period of three years shall, at the beginning of the fourth year, accrue vacation leave at the rate of 10 hours of vacation per month (15 days per 12 month year). Members who have completed seven years of employment with the District shall at the beginning of the eighth year, accrue vacation leave at the rate of 13.33 hours of vacation per month (20 days per 12 month year). Members who have completed thirteen years of employment with the District shall, at the beginning of the fourteenth year, accrue vacation leave at the rate of 16 hours of vacation per month (24 days per 12-month year).

9.2.3 Use of Vacation

9.2.3.1 Vacation leave may be used in increments of full days and half days only. In the event that a member has no appropriate leave available such as personal necessity leave or compensatory time, a member may use vacation in one-hour increments.

9.2.3.2 Vacation leave will be scheduled by mutual agreement between a member and his or her administrator. Nevertheless, the District reserves the right to assign each member to a vacation schedule in a manner that is not arbitrary or capricious.

9.2.4 Accrued Vacation Leave

- 9.2.4.1 A member may accumulate a maximum of two (2) years of accrued vacation. When the accumulated vacation balance exceeds these limits, the member ceases to earn vacation until such time as the vacation balance is reduced below the maximum earnable. Members who reduce their contract (partial unpaid leave, extended sick leave) have vacation accrual prorated by the percent of contract reduced.
- 9.2.4.2 A member will be notified by a notice on his/her paycheck when he/she is within two pay periods of reaching his/her maximum vacation accrual for two years. If the member is within two pay periods of reaching his/her maximum accrual of vacation, he/she will meet with the supervising manager to schedule vacation so that the member does not lose any vacation to which he/she is otherwise entitled.
- 9.2.4.3 In the event of resignation, retirement, or termination, a member will be compensated for accumulated vacation not to exceed the maximum amount allowed to accumulate.

**ARTICLE 10
LEAVES OF ABSENCE**

10.1 General Provisions

The District will grant paid and unpaid leaves of absence for the purposes outlined and subject to the conditions set forth in this Article.

10.1.1 Except where otherwise provided, no absence under any paid leave provisions of this Article shall be considered as break in service for any member who is in paid status, and all benefits of this Agreement shall continue to accrue under such absence.

10.1.2 The approval of the immediate supervisor shall be obtained in advance of any absence from work unless the necessity for such absence cannot be reasonably anticipated in advance.

10.1.3 In situations where the necessity for such absence cannot be reasonably anticipated in advance, the member shall report the absence to the supervisor prior to the normal reporting time. If the member is unable to report the absence, the employee may designate someone to provide the report. Failure to report the absence in a timely manner may result in ineligibility for paid leave and may be considered to be an unauthorized leave.

10.1.4 The member shall not be absent from work during his/her assigned working hours except as otherwise provided in this Article. Any other absence shall constitute an unauthorized absence. If a member is absent for three consecutive working days without authorized leave, the absence will constitute an automatic resignation.

10.1.5 The supervisor may, with reasonable cause, require a member to submit evidence of the reason for and the continued necessity for the absence.

10.2 Sick Leave

10.2.1 Sick Leave – Earned. "Earned" sick leave is the number of hours the member shall be entitled to earn each month at his/her full rate of pay for illness or injury.

10.2.1.1 For Full-Time Members. A member scheduled to work (40) hours per week, twelve (12) months per fiscal year shall be entitled to eight (8) hours per month for a total of ninety-six (96) hours of sick leave per fiscal year. A member employed for less than a full fiscal year is entitled to that proportion the number of months of employment bears to 12 months.

- 10.2.1.2 For Less Than Full-Time Members. A member scheduled to work less than forty (40) hours per week and/or less than twelve (12) months per full fiscal year is entitled to that proportion of ninety-six (96) hours of "earned" sick leave per fiscal year as the member's number of scheduled work hours relates to a full time work schedule.
- 10.2.1.3 For Probationary Members. Probationary members who are scheduled to work forty (40) hours per week, twelve (12) months per fiscal year, shall not be eligible to use more than forty-eight (48) hours of sick leave during the first six (6) months of their employment. Probationary members working less hours shall be entitled to take a proportionate amount.
- 10.2.1.4 Reduction During Leave Without Pay. Sick leave entitlement shall be reduced by one (1) day for each calendar month a member is on leave without pay.
- 10.2.1.5 When Taken. Except as provided in 10.2.1.3, sick leave need not be accrued prior to taking such leave by the member and such leave may be taken at any time during the fiscal year.
- 10.2.1.6 Medical or Dental Appointment. When it is impossible for a member to schedule a medical or dental appointment at a time other than working hours, he/she may use earned sick leave.
- 10.2.1.7 Minimum Increments. Sick leave must be used in minimum increments of two hours or longer.
- 10.2.1.8 For Family Members. Up to seven (7) days of sick leave can be used for care of an ill member of the member's immediate family (as defined in Section 10.3.5).
- 10.2.2 Sick Leave – Accumulated. Accumulated sick leave is the unused sick leave which was earned but not used from the previous year(s).
 - 10.2.2.1 Carry-over. Accumulated sick leave carries over to the new fiscal year at the member's full rate of pay for illness or injury. There is no maximum to the number of "accumulated" sick leave hours at full pay which a member may accrue.
 - 10.2.2.2 Transfer of Sick Leave Credit. Any member who served in the classified services of another California school or community college district immediately preceding his/her employment with the District may have the unused portion of any accumulated sick leave

transferred to the District. Any transfer must be completed within one year of the member's hire date.

10.2.2.3 Separation From District. If an member is separated from the District prior to rendering a complete year of service, the sick leave entitlement for the partial year shall be that proportion of twelve (12) days' leave as the number of months in the year he/she is employed bears to twelve (12). In the event a member terminates employment with the District after having used more sick leave hours than the number which he/she has earned, the unearned portion shall be deducted from the member's final pay. If no salary is due the member who has used more sick leave hours than the number earned, the member shall be billed by the District for the amount which the District has overpaid.

10.2.2.4 Unused Sick Leave. At the time of retirement each unused day of sick leave will be certified by the District to be applied for additional service retirement credit under PERS or STRS for those unit members legally entitled to such additional credit.

10.2.3 Report of Sick Leave Absence

An absence report for use of sick leave shall be made by the day of the month specified by the District and signed by the member and the supervisor.

10.2.4 Return to Work/Medical Statement

10.2.4.1 A member absent because of illness shall keep his/her supervisor informed regarding the expected date of return to work.

10.2.4.2 A member must provide his/her supervisor with a doctor's certificate whenever he/she is absent for three (3) or more consecutive working days or five (5) cumulative days within any thirty (30) calendar day period due to illness or injury. The doctor's certificate must state that the member is receiving medical care, the inclusive dates when the member is unable to work because of a medical condition and the date the member can return to work. If the member is returned to work with restrictions, the certificate must state the specific restrictions.

10.2.4.3 The District may, with reasonable cause, require a doctor's certificate verifying any illness or medical or dental appointments claimed by a member. If the information from the member's doctor is insufficient, an examination may be required by the District to be performed by a doctor designated by the District, at District expense.

10.2.5 Extended Sick Leave

A member is entitled to extended sick leave pursuant to the requirements of this section.

- 10.2.5.1 The entitlement to use extended sick leave credited under this section begins at the exhaustion of full-pay sick leave or at the end of ten (10) consecutive working days of absence due to illness or injury, whichever is later. Extended sick leave is compensated at 50% of the member's regular salary on the date the member was first absent and continues for the time specified in 10.2.5.2. The member is also entitled to use only so much accrued vacation leave and comp time, which, when added to extended sick leave, provides for a full day of the member's regular salary.
- 10.2.5.2 A member scheduled to work (40) hours per week, twelve (12) months per fiscal year shall be credited with one hundred (100) full working days of extended sick leave per fiscal year. A member employed for less than full time or for less than a full fiscal year is entitled to that proportion of one hundred (100) working days of extended leave per fiscal year which the number of hours or months of employment bears to 12 months.
- 10.2.5.3 Each day of full-pay sick leave and each day of extended sick leave used by a member during the fiscal year for approved absences due to illness or injury reduces the number of days of extended sick leave available during the fiscal year by one (1) day. A return to active service does not result in an increase in the number of extended sick leave days available during the fiscal year for any subsequent illness or injury.
- 10.2.5.4 If a member begins to receive extended sick leave for an accident or illness in one fiscal year and the same accident or illness continues into the following fiscal year, the member will have available to carry over into the next fiscal year only the amount of extended sick leave not used the prior year for the same illness or injury. The total extended sick leave for one accident or illness cannot exceed 100 days or the prorated amount per 10.2.5.2.
- 10.2.5.5 If a member is unable to assume the duties of his/her position after all extended sick leave and other authorized paid and unpaid leave is exhausted, the member shall be placed on the reemployment list for 39 months. The employment of a member who is medically released to duty but fails to return to an appropriate assignment shall cease as of the date specified for return to work.

10.3 **Personal Necessity Leave**

10.3.1 Each permanent or probationary member shall be granted up to 5 days of paid leave per year for reasons of genuine personal necessity. Members who work fewer than 40 hours per week are entitled to that proportion of personal leave granted full-time members that is equal to the percent of a full-time contract. Eligibility for such leave begins on the first of the calendar month following six complete months of employment.

10.3.2 For the purpose of this section "personal necessity" means obligations or unavoidable duties of an individual member that must be performed during regularly scheduled working hours. Circumstances under which personal necessity leave is appropriate include, but are not limited to:

10.3.2.1 Emergencies or obligations related to the member's home or immediate family members, including medical or dental appointments for the member's family members when the nature of the appointment requires the member's presence, or special family obligations such as attending an immediate family member's graduation or marriage ceremony;

10.3.2.2 Emergencies or obligations related to the member, including appointments for the purpose of conducting personal legal affairs or financial transactions, receipt of a court order requiring absence from work, or observation of a major religious holiday of the member's faith.

Personal necessity leave may not be used for recreation, planning a vacation, or social events, nor may it be used in lieu of vacation or sick leave (except after an illness of 10 working days or more and no full-pay sick leave is available, a member may use personal necessity leave.) Unless there are unavoidable and compelling reasons (i.e., medical appointments or illness after being on extended sick leave) personal necessity leave may not be taken in conjunction with any holiday, sick leave, vacation, or other leave of absence.

10.3.3 The member shall submit a completed Personal Necessity Leave Request on the Absence form to his/her immediate supervisor for approval at least three working days prior to the requested leave. If emergency circumstances prevent a member from requesting prior written approval, the member must submit a completed Personal Necessity Leave Request form to his/her immediate supervisor within three (3) working days after return to duty.

10.3.4 The entitlement to Personal Necessity Leave for a fiscal year expires at the end of the fiscal year; it does not carry over from year to year and cannot be accumulated.

10.3.5 A member of the immediate family as used in this section shall mean the mother, father, grandmother, grandfather or a grandchild of the member or the member's spouse or domestic partner, and the spouse or domestic partner, son, son-in-law, daughter, daughter-in-law, brother or sister of the member, or any relative living in the immediate household of the member.

10.4 **Industrial Accident and Illness Leave**

Industrial Accident and Illness leave is intended to compensate a member who has an occupational illness or injury.

10.4.1 A member must report all work-related injuries, no matter how slight, immediately to his/her supervisor and file a report of injury with the Human Resources Office.

10.4.2 A member must have completed three years of continuous service with the District prior to the occupational injury or illness in order to be eligible for Industrial Accident and Illness Leave.

10.4.3 The total number of days of allowable Industrial Accident and Illness leave shall not exceed sixty (60) working days in any one fiscal year for the same accident or illness. Industrial Accident and Illness Leave shall commence on the first day of absence.

10.4.4 Payment for Industrial Accident and Illness Leave on any day shall not, when added to an award to the member under the California Workers' Compensation laws, exceed his/her regular salary for the day.

10.4.5 Each day of authorized absence due to a claim made by a member of an industrial accident or illness reduces the number of total days of Industrial Accident and Illness Leave by one (1) day regardless of whether the claim has been settled under Workers' Compensation.

10.4.6 When Industrial Accident and Illness Leave has been exhausted, other available full paid sick leave, vacation leave and comp time may be used in combination with any extended sick leave remaining for the fiscal year to provide for a full day of the member's regular salary.

10.4.7 If a member receives Industrial Accident and Illness Leave for an accident or illness which continues into the following fiscal year, the member will have available to carry over into the next fiscal year only the number of days remaining at the end of the fiscal year in which the illness or injury occurred. Industrial Accident and Illness Leave for the same accident or illness cannot exceed a total of sixty (60) days.

10.4.8 A member receiving benefits as a result of this Section shall, during periods of injury or illness, remain within the State of California, unless the Board of Trustees, by express written permission, authorizes travel outside the State.

10.4.9 If a member is unable to assume the duties of his/her position after all Industrial Accident and Illness Leave and other authorized paid and unpaid leave is exhausted, the member shall be placed on the reemployment list for 39 months. The employment of a member who fails to accept an appropriate assignment shall cease as of the date of the member's notice or date specified for return to work, whichever is earlier.

10.5 **Bereavement**

Each member shall be granted necessary time off, with pay, not to exceed three days, or five days if out-of-state travel is required, in the event of the death of any member of the member's immediate family as defined in 10.3.5. Said leave shall not be deducted from accumulated sick leave. Such Bereavement Leave days shall be taken consecutively and within thirty (30) days of the death of the qualifying family member.

10.6 **Jury Duty**

A member who has been regularly called for jury duty will be granted a paid leave of absence.

10.6.1 The member called for jury duty shall immediately report such jury duty notice to his/her supervisor. A copy of the jury notice must be shown to the supervisor.

10.6.2 No deduction shall be made from a member's salary while performing jury duty but any daily jury duty fee, exclusive of travel expenses, shall be remitted to the District.

10.6.3 When jury duty consumes only a portion of the work day, the member is expected to report to work before the jury duty begins or immediately after the jury duty ends or take vacation leave.

10.7 **Quarantine**

A member whose place of residence is quarantined by city or county health members shall receive full pay during the period of enforced quarantine due to the illness of another person. If the member is ill, a deduction shall be made from his/her days of paid sick leave. The official document of the public health authorities relative to the quarantine restrictions shall be required to be submitted to the Office of Human Resources prior to receiving pay.

10.8 **Military Leave**

A member shall be entitled to military leave as provided by Military and Veterans Code Sections 395 to 395.9.

10.9 **Unpaid Leaves of Absences**

Leaves of Absence without pay may be granted by the Board of Trustees for a specific purpose and for a designated time period not to exceed one year.

10.9.1 **Conditions.** All the following conditions must be met:

10.9.1.1 A suitable short-term member is available to fill the position of the member on leave;

10.9.1.2 The member's absence will not reduce the efficiency of the department;

10.9.1.3 The member can give reasonable assurance that he/she will return to the position at the conclusion of the leave.

10.9.2 **Requests.** All requests for leaves of absence shall be made in writing to the designated administrator and shall specify the beginning date and return date. The administrator shall review the request and submit a recommendation to Human Resources. All leaves of absence require the approval of the Board.

10.9.3 **Evidence of Necessity for Leave.** The District may require supporting evidence of the necessity for the leave. If required, such evidence shall be submitted with the written request for leave.

10.9.4 **Entitlements.** During unpaid leaves of absence, a member will not accrue vacation or sick leave or be entitled to holidays or other leaves. Time spent on unpaid leave does not count toward seniority or salary increments. During unpaid leave, a member will not receive medical benefits, unless required by state or federal law.

10.9.5 **Notice of Return.** A member shall notify District Human Resources no less than forty-five (45) working days prior to the termination date of the Leave of his/her intent to return to employment in the District. Failure to so notify the District shall constitute and be considered as abandonment of the member's position and his/her employment will cease as of the forty-fifth (45th) working day prior to the termination date of the Leave.

10.9.6 **Status of Member Upon Return.** Upon the expiration of an authorized unpaid leave of absence, providing the member has met the conditions under which the Board-approved leave was granted, the member shall be returned to his/her former position as a member. If no member position is available, the member

shall be placed on the reemployment list. The employment of a member fails to return to an appropriate assignment shall cease as of the date specified for return to work.

10.10 **Family Medical Leave Act/California Family Rights Act Leave**

In accordance with state and federal law and District policy, under certain conditions members may be eligible for an unpaid leave of absence for up to twelve (12) weeks for reasons related to family circumstances. Use of family medical leave for a qualifying circumstance, including the member's own serious illness, runs concurrently with other paid and unpaid leaves granted by the District. Members should consult Appendix E regarding eligibility, application procedures, and other procedures related to such leave.

10.11 **Break in Service**

10.11.1 **Break in Service**. A break in service results from a separation from employment with the District because of resignation, retirement, layoff, or termination during probation or dismissal. A break in service results in loss of permanent status, seniority, accumulated sick leave, use of any other leave, vacation status, placement on the salary schedule, and eligibility for retiree and other benefits.

10.11.2 **Temporary Break in Service**. A temporary break in service results from disciplinary action of suspension. During suspension, a member will not accrue vacation or sick leave or be entitled to holidays or other leaves, nor will a member be able to use any accrued leave. Time spent on suspension does not count toward seniority or salary increments.

10.12 **Sick Leave Donation**

10.12.1 A member may donate days of sick leave (see Appendix F) to individual District members who, due to a serious health condition, have exhausted all accumulated sick leave. Donating members must retain a sixty (60) day balance of sick leave after their donation. No member may receive more than 40 days of donated leave per year.

10.12.1.1 A “serious health condition” is defined as an illness, injury, impairment or physical or mental condition which involves inpatient care in a hospital, hospice, or residential health care facility, or continuing treatment or continuing supervision by a health care provider as defined in 29 USC 825.114(a) and as certified by a member’s healthcare provider or other qualified medical practitioner.

10.12.1.2 The Director of Human Resources and the Association President by mutual agreement will verify the certification for eligibility. If the

certification from the member's healthcare provider is insufficient, a certification by a healthcare provider of the District's choosing may be required, at District expense. The District may require additional medical opinions.

10.12.2 Donated leave must be in one-day increments (no less than 8 hours). Recipients of donated sick leave shall be solely responsible for any state and federal taxes on the donated time. Such taxes shall be withheld at the normal rate for the recipient member. In the event that the state or federal governments rule that tax liability is due other than as taxed, the recipient shall be solely liable for such liabilities.

10.12.2.1 The donated sick leave may be used only when the member has exhausted accumulated sick leave and either is not eligible for long-term disability or is eligible but has not begun to receive the long-term coverage.

10.12.2.2 The Director of Human Resources shall be notified of solicitation of donations. Solicitations of donations may be made by the individual or his/her representative(s).

10.12.2.3 Donation of sick leave shall be authorized by a signed pledge form prepared by and filed with the District Office of Human Resources. In the event several members donate sick leave, the sick leave shall be used in the order in which the signed pledge forms are filed with Human Resources.

10.12.2.4 If the member does not use all donated sick leave, the sick leave shall be returned to the donating member(s).

10.13 **Staff Development Leave**

To encourage and enable members to enhance their value to the District through further job-related education, the upgrading of their skills, or retraining for a different career path, a Staff Development Leave has been established. After completing seven (7) years of service in the District, a member is eligible to apply for a leave from one to ten months at 85% of full pay. Such leaves may be taken in one-quarter increments to a maximum of ten months. A member becomes eligible for additional leaves after completing increments of seven (7) years of service to the District.

An eligible member may, on a leave request form provided by the Human Resources Office, apply through his or her supervisor for a Staff Development leave. The leave may be used to complete interrupted studies, learn by observing methods used in industry or other educational institutions, or get a substantial start on a goal of better education. The written application (see Appendix G) must present a detailed description of the proposed activities of the leave and the potential value of these activities to the District. If the

member intends to enroll in school, the application must identify the educational institution to be attended and, by academic term, a list of courses (with course descriptions) the member is interested in taking. The application shall contain precise dates for the beginning and ending of the leave.

All applications for the succeeding college year must be received by the Director of Human Resources before December 15. Each application that has been submitted and has received the recommendation of the immediate supervisor and the appropriate administrator shall be forwarded to the Classified Staff Development Leave Committee for review and recommendation to the Chancellor. This Committee shall be composed of one representative of POA, an administrator designated by the Chancellor, and the Director of Human Resources, who will serve as chairperson. Funding for a maximum of one (1) ten-month leave per year shall be granted. If the number of recommended applications exceeds the number agreed upon for the year, the Committee shall establish procedures for deciding which leave shall be recommended to the Chancellor for submission to the Board. Any Board-approved leave will be announced by March 1 of each year.

If a leave is granted, the member must agree in writing (see Appendix G) to render, upon return from leave, a minimum of two months of service to the District for each month of staff development leave. Failure to render this service will require the member to refund the salary paid by the District during the leave. Within thirty days of return from a leave, the member shall submit a written report to the Classified Staff Development Leave Committee of the activities of the leave, emphasizing the value to the District. If the member attended school during the leave, he or she shall also submit a transcript or other appropriate documentation showing satisfactory attendance and successful completion of the course work as soon as reasonably possible. The member may apply for Educational Assistance for courses taken during the leave.

After reviewing the report, the Classified Staff Development Leave Committee shall either approve the report or request further information from the member. If, after requesting further information from the member, the Classified Staff Development Leave Committee is unable to establish that the member satisfied the conditions of the leave, the committee may, if it determines it is appropriate, after considering possible mitigating circumstances, recommend to the Director of Human Resources that the member be required to compensate the District for the expense of the leave. The decision of the committee may be reviewed by the Chancellor at the request of the member.

During the leave the member will be entitled to all the benefits of classified contract members except that only 85% of service time will be credited by the Public Employees Retirement System. The member may, however, arrange to make a contribution to the System to insure full service credit for the period of the leave as provided by the regulations of PERS. During the leave the member shall earn 85% of the normal credit for sick leave and seniority. No vacation credit shall be earned during a Staff Development Leave.

11.5 **Travel Expenses**

Travel expenses while on business of the District must be submitted on a travel expense form and approved by the appropriate supervising manager. Expenses for training classes must be approved by the appropriate supervising manager. If a member is assigned to more than one campus or to one campus and an off-campus facility (such as a training facility) as part of the contract obligation, the member is entitled to reimbursement for expense of travel between facilities if the assigned duties require the member to be present at both facilities during the same day. Since it is the responsibility of the member

to transport himself/herself to and from the place of employment, the mileage reported or computing travel expense shall be the length of the trip one way between the two facilities, unless the work schedule requires a round trip during the same day.

Meals and lodging expenses shall be reimbursed in the amount and manner customary for all members of the District. Travel expense forms should be sent to the Accounting Department.

11.5.1 Police Officers are compensated at an overtime rate pay for a minimum of four (4) hours each way when traveling in excess of 50 miles. Unless one (1) or more occur:

The return of the signed form shall constitute a request for an appeal hearing and denial of all charges. Failure to request an appeal hearing within five (5) working days of service of the notice of discipline shall be a waiver of the member's right to an appeal hearing, unless special circumstances are present which justify extension of the time period.

12.4.3 Procedure for Appeal Hearing

The Board of Trustees shall determine whether an appeal hearing will be conducted before the Board or before a Hearing Officer appointed by the Board.

12.4.3.2 Notice of Hearing

12.4.3.6 Confidentiality

The evidence, proceedings, and conduct of the hearing shall remain confidential and shall not be made public by the District, by any of the participants at the hearing or by any person attending the hearing, except as any of the foregoing may be filed in court or introduced as evidence in an administrative or court proceeding brought to review an action taken pursuant to these procedures. In the event such matters do become public, however, such public statements as are appropriate may be made. This policy of confidentiality shall not preclude discussion of the case with others as necessary to prepare for the hearing, nor shall it preclude the District from taking any action following appropriate procedures against any member on the basis of evidence developed at the hearing.

12.5 Actions not Affecting Pay

12.5.1 A officer may be disciplined through actions not affecting a member's pay. Such disciplinary actions include written reprimands and transfers for purposes of punishment.

The District may abolish a position for lack of work or lack of funds and lay off a probationary or permanent member.

13.2 **Reduction in Hours**

If a decision to reduce hours is negotiated, any reduction in regularly assigned hours shall proceed in the order of layoff as prescribed in this article. Members experiencing such reduction shall be considered laid off for purposes of determining all rights and benefits.

13.3 **Notice of Layoff**

A member who is to be laid off shall receive notice at least 45 days prior to the layoff. The notice of layoff shall be in writing and shall include the effective date of the layoff and a statement of the member's reemployment rights. A copy of the notice will be provided to the Association.

13.4 **Order of Layoff**

The order of layoff shall be determined by hours in paid status within the Police Officer class. The member with the least hours in paid status based on the hire date in the Police Officer class shall be laid off first. If the hire dates of two or more members are identical, the determination shall be made by lot. An Association representative shall be afforded the opportunity to be present during any such determination by lot.

13.5 **Retirement in Lieu of Layoff**

A member who is eligible for retirement and who has received a notice of layoff may, in lieu of layoff, elect to accept service retirement without loss of reemployment rights.

13.6 **Reemployment Rights**

A permanent member who has been laid off or who has taken a reduction in hours in lieu of layoff shall have reemployment rights to a vacant position in the Police Officer class for a period of 39 months from the date of layoff or reduction in hours. Reemployment shall be in order of seniority. A member who is reemployed after layoff shall be fully restored to his/her position as a permanent member, including his/her former placement on the salary schedule and earned service credit.

13.7 **Notice of Vacancy and Member Response**

When the District notifies a member who is on the reemployment list of a vacancy in the Police Officer class, the member shall notify the District of his/her intent to accept or refuse reemployment within 10 calendar days of the mailing of the reemployment notice. If the member accepts reemployment, he/she must report to work within 30 calendar days following the mailing of the notice. If the member fails to reply within 10 days or refuses the offer of reemployment, his/her reemployment rights shall terminate.

13.8 **Improper Layoff**

A member who has been improperly laid off shall be reemployed immediately upon discovery of the error and shall be reimbursed for any loss of salary or benefits.

Members who are laid off shall be entitled to the following:

- 13.9.2 Preference for members whose work year or hours have been reduced in filling temporary jobs that would ordinarily be filled by short-term members;

- 13.9.4 Payment of accrued vacation hours for members with fewer than six (6) months of service;
- 13.9.5 Priority registration privileges for members who have been terminated because of layoff;
- 13.9.6 Eligibility to apply for Educational Assistance funds in accordance with the terms of this agreement during the first six months of layoff. Applications for funds shall be submitted to the Director of Human Resources who shall sign in lieu of the member's former administrator;
- 13.9.7 Career counseling and job placement assistance for members who have been terminated because of layoff.

This article expresses the entire understanding between the parties regarding the effects of layoff and each party waives the right to meet and negotiate on the effects of layoff for the life of this *Agreement* except as to those effects that the parties mutually agree to negotiate.

ARTICLE 14
GRIEVANCE PROCEDURE

14.1 **Definitions**

14.1.1 “*Agreement*” means the collective bargaining agreement negotiated between the District and POA pursuant to the Educational Employment Relations Act.

14.1.2 "Grievance" means a written statement filed:

14.1.2.1 by a member or by POA on behalf of a member alleging that the member has been directly wronged by the District's violation, misinterpretation or misapplication of a specific provision of the *Agreement*; or

14.1.2.2 by POA alleging that the Union itself has been directly wronged by the District's violation, misinterpretation or misapplication of a specific provision of the *Agreement*.

14.1.3 To "file" means to deliver a grievance to the District, either personally, or by certified mail return receipt requested. A grievance is "filed" on the day it is received by the District.

14.1.4 "Working day" means any day during which the central administrative offices of the District are open for business.

14.1.5 "Union representative" unless specified may mean a business representative, a steward, and/or a member of POA.

14.2 **Who May File a Grievance?**

A grievance may be filed by any of the following individuals:

14.2.1 A member who is a member of the bargaining unit at the time the grievance is filed;

14.2.2 A Union representative who has been authorized to file the grievance on behalf of the member or POA.

14.3 **Representation**

The member and the District's designee may each be assisted by a representative who may advise or act for the party he or she represents.

14.4 **Informal Grievance**

14.4.1 Prior to filing a formal grievance,

14.4.1.1 if the grievance alleges a member has been directly wronged by the District's violation, misinterpretation or misapplication of a specific provision of the *Agreement*, the member, or POA on behalf of the member, must bring the issue to the attention of the sergeant or the Chief of Police and attempt to resolve the matter informally.

14.4.1.2 if the grievance alleges POA itself has been directly wronged by the District's violation, misinterpretation or misapplication of a specific provision of the *Agreement*, POA must bring the issue to the attention of the Director of Human Resources and attempt to resolve the matter informally.

14.4.2 The attempts at informal resolution of a grievance must take place within 30 working days prior to filing a formal grievance.

14.5 **Filing a Formal Grievance**

14.5.1 A grievance is initiated by the filing of a Notice of Grievance on the prescribed notice form (included in Appendix H).

14.5.2 The grievance must be filed within 30 working days after the grievant discovered or reasonably could have discovered the circumstances or action giving rise to the grievance. The attempts at informal resolution required by Section 14.4 do not extend the 30 working day period.

14.5.3 The Notice of Grievance must be filed with the Chief of Police and the Director of Human Resources. If the member is initiating the grievance directly, a copy of the grievance must also be provided to POA. Failure to file the grievance with the required parties within the time limit of Subsection 14.5.2 will invalidate the filing of the grievance.

14.6 **First Level of Review**

14.6.1 If a grievance has been filed by POA pursuant to Section 14.5, if the Director of Human Resources and POA agree that it is not appropriate to consider the grievance at the first level, the grievance may be initially considered at the second level. - Live Together. "Live together" means that two people share the same living quarters. Each partner must have the legal right, documented in writing, to possess the living quarters.
- Living Expenses. "Responsible for living expenses" means that the partners are jointly responsible for the common welfare and financial obligations of each other which are incurred during the domestic partnership.

II. Eligibility and Enrollment Criteria

- A. In order to enroll for coverage of the domestic partner, the employee and his or her domestic partner must complete, sign under penalty of perjury, and file with the District an affidavit attesting to their meeting eligibility requirements, as provided below.

9. The domestic partners must agree that they both are jointly responsible for the common welfare and financial obligations of each other which are incurred during the domestic partnership. The partners' practice need not be to contribute equally to the cost of the living expenses as long as they agree that both are responsible for the total cost.
10. The domestic partners must intend that the circumstances which render them eligible for enrollment will remain so indefinitely.
11. The domestic partners must acknowledge that they understand and agree that the employee domestic partner may make health plan and other benefit elections on behalf of the non-employee domestic partners.

The domestic partners must agree that by executing the affidavit, each agrees to be bound by the terms and conditions of coverage of the plans.
14. The employee must acknowledge that he or she understands that under applicable federal and state tax law, District-provided benefits coverage of the non-employee domestic partner could result in imputed taxable income to the employee, subject to income tax withholding and applicable payroll taxes.
15. The domestic partners must agree to notify the District within 30 days if there is any change of circumstances attested to in their affidavit. The

notice is to be in the form of an amendment of their affidavit. The non-employee domestic partner must agree that the employee domestic partner may terminate the domestic partner benefits unilaterally, at any time, irrespective of the view of the non-employee. If the employee executes such an option, that employee shall notify the non-employee domestic partner as soon as possible that his or her benefits have been terminated and it shall be sole responsibility of that employee to make such notification.

16. The domestic partners must acknowledge that they understand that, if either has made a false statement regarding his or her qualification as a domestic partner or has failed to comply with the terms of the affidavit, the District shall have the absolute right to terminate any and all of the domestic partner's benefits in accordance with the eligibility procedures specified in the health benefits plan. Additionally, if the District suffers any loss thereby, the District may bring a civil action against either or both of the domestic partners to recover its losses, including reasonable attorney's fees and court costs.
17. The domestic partners must acknowledge that the District Administrator of any benefit plan at issue will be the sole and final judge of whether a domestic partner is qualified for benefits.

11. Each of us understands and agrees that the employee domestic partner may make health plan and other benefits elections on behalf of the non-employee domestic partner.

13. Each of us understands that, in addition to the eligibility requirements of the District for domestic partner coverage, there are terms and conditions and limitations of coverage and eligibility criteria set forth in the offered benefit plans themselves. We understand that we are also bound by the terms of these policies and agreements.
14. Each of us understands that under applicable federal and state tax law, District-provided benefits coverage of the non-employee domestic partner could result in imputed taxable income to the employee, subject to income tax withholding and applicable payroll taxes.
15. Each of us agrees that if there is any change of circumstances attested to in this affidavit, we will, within thirty (30) days of such change of circumstances, file an amendment of this affidavit. The non-employee domestic partner agrees that the employee domestic partner may terminate the domestic partner benefits unilaterally, at any time, irrespective of the view of the non-employee. APPENDIX E
FAMILY MEDICAL LEAVE ACT/CALIFORNIA FAMILY RIGHTS ACT

Policy

In compliance with the Family Medical Leave Act (FMLA) and the California Family Rights Act, eligible District employees may take unpaid leave of up to 12 weeks for qualified medical and family reasons. The purpose of the Family Medical Leave Act is to provide employees reasonable leave to care for an eligible family member, or the employee himself or herself, in the event of a serious medical condition, or to enable the employee to care for a child within one year of the child's adoption or receipt into foster care. While on leave, employees are entitled to District paid benefits.

Note

Family Medical Leave runs concurrently with other applicable leaves. This means that the leave is granted only to ensure a total of 12 weeks of leave with benefits for certain qualifying events (see below). For example, if an employee has paid personal necessity leave of one week available, the Family Medical Leave will be for an additional 11 weeks, making a total of 12 weeks of leave in any 12 month period.

Eligibility

Full-time or part-time employees are eligible for this leave that have been employed for more than 12 months with the District and have worked at least 1,250 hours in the 12-month period prior to the date the leave begins.

Qualifying Events for Purpose of Family Medical Leave

The conditions for which Family Medical Leave may be taken are:

1. birth or adoption of a child, or the receipt of a child into foster care, within one year of such birth or placement, or
2. the employee's own serious health condition that makes the employee unable to work at all or unable to perform essential job functions, or
3. a serious health condition of an employee's child, spouse, parent or member of the immediate household, which requires the employee to care for the family member.

A serious health condition means an illness, injury, impairment, or physical or mental condition which involves either inpatient care or continuing treatment or supervision by a health care provider.

Eligible Child

An eligible child is defined as:

1. a biological, adopted or foster child, a stepchild, or a legal ward under the age of 18, or
2. an adult dependent child over the age of 18 who is incapable of self-help due to a mental or physical disability, or
3. a child under 18 who is treated as the employee's child or for whom the employee has been "in loco parentis."

Applications for Leave

A request for Family Medical Leave must be made in writing by completing the Family Medical Leave application form. The application must be submitted to the employee's administrator and then forwarded to the Office of Human Resources at least thirty days before the requested start of the leave unless the reason for the leave is due to an emergency, in which case the request must be made immediately. The completed application must state the reason for the leave and the beginning and ending dates of the leave.

Conditions of Leave

1. An employee who requests medical leave for his or her own serious health condition is required to use all accrued paid leave, including vacation time, sick leave and extended sick leave if applicable concurrently with the Family Medical Leave Act leave. Because Family Medical Leave is limited to twelve workweeks, it is unlikely that an employee will run out of extended sick leave within the duration of this leave.
2. An employee who requests Family Medical Leave to care for his or her spouse, child, parent or member of the immediate household with a serious medical condition must first use all available paid leave, including vacation time and personal necessity and then sick leave to the extent allowed in the employee's relevant bargaining unit agreement for care of family members. At the exhaustion of all paid leaves, the remainder of the leave - up to a maximum of twelve weeks - will be unpaid.
3. Leave taken because of the serious health condition of an employee, spouse, child, parent or member of the immediate household may be taken intermittently or on a reduced medical schedule when medically necessary. Leave may be counted in full or partial days or full or partial weeks. Such intermittent or reduced time schedule leave may require the employee to transfer temporarily to another position. Leave taken because of the birth or placement of a child may not be taken intermittently or on a reduced schedule leave unless expressly approved by the Director of Human Resources.
4. While in unpaid status under Family Medical Leave, an employee will not accrue additional benefits such as sick leave, vacation, or seniority. However, Family Medical

Leave is counted as active work status for the purposes of pension vesting or eligibility in pension plans.

5. If both a husband and wife work for the District, their leave is limited to a combination of twelve weeks for the qualifying event of a birth, adoption, or foster care placement.

Medical Certification Statement

An application for leave based on the serious health condition of the employee or the employee's spouse, child, parent or member of the immediate household must be accompanied by a Medical Certification Statement completed by a health care provider. The certification must state the date on which the health condition commenced, the probable duration of the condition, and the appropriate medical facts regarding the condition. If leave is for the care of a family member, it should also estimate the amount of time that the employee will be needed to care for the patient. If leave is for the employee's own health condition, certification should also state that the employee is unable to perform the functions of his or her own position. The District may require the employee to obtain a second medical opinion at District expense. If the two medical opinions conflict, the opinion of a third medical provider, approved jointly by the employee and the District, may be required at District expense, and the third opinion will be final and binding. If additional leave is requested beyond the period stated in the certification, the District may require recertification in accordance with these procedures.

Return From or Failure To Return From Leave

The employee is expected to return to work on the date stated in the application for leave. If the employee wishes to return earlier, both the employee's administrator and the office of Human Resources should be notified at least 5 days before the employee's planned return. Failure to return from leave without notification may be construed as an abandonment of the employee's position. The District will require a certification that the employee is physically able to return to work upon return from leave due to the employee's own serious health condition. However, if an employee returning from Family Medical Leave due to his or her own serious medical condition is unable to perform the essential functions of his or her job because of a physical or mental condition, the Americans with Disabilities Act may govern.

Reinstatement Rights

Unless considered a "key" employee, an employee on Family Medical Leave is entitled to be returned to the same position held prior to the leave, if still available, or to a comparable position with equivalent pay, benefits, if applicable, and other terms and conditions of employment, subject to provisions of the contract with the relevant bargaining unit. A "key" employee is one who is among the highest paid 10% of the District's employees and whose reinstatement would cause substantial economic injury to the district's operations. An employee on Family Medical Leave will not suffer the loss of any other employment benefit that the employee earned or was entitled to before using the leave.

Health Care Benefits (if applicable):

District paid benefits will continue during the period of Family Medical Leave. If the employee does not return from leave for a reason other than continuation or recurrence of the serious health condition that entitled the employee to leave in the first place and employment is terminated, the District can recover the cost of the health care premiums from the employee.

Coordination with Pregnancy Disability Leave

Family Medical Leave is separate and distinct from disability leave for pregnant employees. Pregnant employees may be entitled to a disability leave in addition to the Family Medical Leave.

An eligible employee may be entitled to take a pregnancy disability leave of up to four months and a Family Medical Leave of up to twelve weeks for a combination of approximately seven months.

Reference

The Family Medical Leave Act became effective on August 5, 1993.

The California Family Rights Act was amended by AB 1460 to conform the state law to the federal Family Medical Leave Act. These amendments were effective on October 5, 1993.

Employee contributions for Plan Year 2018 shall remain unchanged from Plan Year 2017. In the event new plans not currently identified are added for

Plan Year 2018, the Joint Labor Management Benefits Council will convene immediately to negotiate employee/retiree contributions for the added plan. The addition of new plans will not change or alter the employee/retiree contributions for any plans continuing from PY 2017 to PY 2018.

Contribution rates in each plan shall have three tiers: employee only; employee plus one; employee plus family. The rate for each tier shall be based on a proportional formula: employee only = employee rate x 1; employee plus one = employee rate x 2; employee plus family = employee rate x 3.

Rates for each plan and tier are expressed monthly, i.e., 1/12th of the employee annual contribution as specified below [based On Active-Retiree Contribution Illustration #19D, JLMBC, 6/25/15]:

In addition, employees shall have the option of enrolling in vision and dental coverage offered by the District. The respective monthly contribution rates all include the cost of vision and dental coverage. If an employee subscriber opts out of dental and vision coverage, the reduction in rates will be \$6 for employee-only, \$12 for employee-plus-one, and \$18 for employee-plus-family. The vision coverage remains essentially unchanged from the plan currently in place.

Employee contributions shall be recovered through twelve (12) equal monthly payroll deductions. For employees on less than 12-month contracts, i.e. 10- and 11-month contracts, the contributions required during the non-contract month(s) shall normally be deducted from the first paycheck following the non-contract month(s), typically, the following September.

In the event the required monthly contribution exceeds compensation in any regular pay period, or the employee is not in pay status, or the employee is eligible for District paid-benefits under Long-Term Disability (LTD) status, in order to continue health benefit coverage the employee must enroll with CalPERS under the Direct Pay Plan or COBRA Program, depending on the enrollee's status at the time of change in pay status. The District Benefits Unit shall assist the member with the transition and forward the request to CalPERS, in accordance with CalPERS processes.

When Direct Pay status is applicable:

The following CalPERS process generally applies – CalPERS will contact the individual insurance carrier to set up Direct Pay, a process that normally takes one month. In the intervening period before Direct Pay is established, CalPERS will bill the District (since the invoice is issued in advance) and the District shall invoice the member for the employee's contribution for the intervening period.

Once Direct Pay is established, the employee must prepay the full cost of the monthly premium for the CalPERS plan selected when receiving the bill from the plan provider. Direct Bill payments cannot, by law, be pre-tax.

To seek reimbursement in arrears for the *Employer Share of Cost* (the plan's monthly premium minus the employee's required monthly contribution), the employee shall submit proof of payment and invoice for each month to the Benefits Unit. Payment is calculated month-by-month based on twelve (12) calendar months.

When the employee returns to work within the applicable benefits plan year, the Benefits Unit shall transition the member back to Active Account with the next regular payroll cycle.

When COBRA status is applicable:

COBRA is an option for anyone who incurs a qualifying life event but who is not eligible to continue benefits under Direct Pay status.

The employee must prepay the full cost of the monthly premium plus any administrative fees for the CalPERS plan selected in accordance with the billing procedures of the plan provider. There is no reimbursement for benefits coverage under COBRA status.

SECTION IV: RETIREE BENEFITS

(a): Retired Employees Hired Before July 1, 1997

Retirees who qualify under the terms of their respective “paid benefits for retired employees hired before July 1, 1997” contract provisions are eligible to participate in the District’s medical health insurance plans in the same manner as eligible employees and may select from the same plan choices and contribution levels as offered to eligible employees, subject to any limitations imposed by CalPERS.

The parties acknowledge that for Medicare-eligible retirees and their Medicare-eligible dependent(s), the CalPERS Choice and CalPERS Select plans offer identical benefits.

In accord with CalPERS regulations, the entire CalPERS retiree monthly premium for the plan selected is deducted from the monthly retirement warrant (e.g. STRS or PERS pension check), and the District shall reimburse the retiree the difference between the CalSTRS premium deduction and the subscriber’s required monthly contribution (as specified above in Section III: Employee Contribution Rates). In the event the CalPERS retiree monthly premium exceeds the retiree’s monthly retirement warrant, the retiree shall have the responsibility for paying CalPERS directly for the required retiree monthly premium in accord with CalPERS procedures.

The District shall provide reimbursement in arrears for the District’s monthly contribution towards the Retired employee’s benefit. Reimbursement shall be made upon submission to the Benefits Unit of proof of payment and invoice by CalPERS or the Retiree, as applicable, for each month of coverage.

Election of a medical health plan shall also include vision and dental coverage offered by the District. The respective monthly contribution rates include the cost of vision and dental coverage. Retirees may not opt out of dental and vision coverage, nor elect only vision and dental coverage. The vision coverage remains essentially unchanged from the plan currently in place.

(b): Retired Employees Hired After July 1, 1997

Retirees who qualify under the term of their respective “paid benefits for retired employees hired after July 1, 1997” contract provisions are eligible to participate in the District’s medical health insurance plans by contracting directly with CalPERS.

To seek reimbursement in arrears for the District’s monthly contribution towards the Retired employee’s *Bridge Program* benefit, the Retiree shall submit proof of payment and invoice to the Benefits Unit for each month of coverage.

SECTION V: DISTRICT CONTRIBUTION AND DRAWDOWN OF THE BENEFITS RATE STABILIZATION FUND (RSF)

District health benefit funding for the period of January 1, 2018 through December 31, 2018 shall be based on a super-composite rate (an average of employee and retiree costs in the three tiers—employee-only; employee plus one; and, employee plus family) of \$1011 per employee/retiree per month (PEPM).

In addition to Employee/Retiree monthly premium contributions and the District super-composite rate contribution of \$1011 per month, the Benefits Rate Stabilization Fund (RSF) shall supplement the total cost of the health insurance benefits participation. The effect on RSF funds for Plan Year 2018 is estimated at \$328,130.

SECTION VI: DISTRICT HEALTH PLAN WAIVER

Employees and retirees may elect to waive coverage. An opt-out election shall remain in effect during the entire Plan Year, and the employee/retiree may not re-enroll in a CalPERS plan except during Open Enrollment or as a consequence of an IRS Section 125 qualifying life event. Waiver of coverage shall not result in a compensated allowance in lieu of coverage.

SECTION VII: TERMS AND CONDITIONS

- a) The health insurance plan provider, employee/retiree monthly contribution rates, terms and conditions specified herein are based on the recommendations of the Joint Labor Management Benefits Council;
- b) The parties have created a Post-97 Fund – i.e., the VEBA Trust – dedicated to a post-age-65 retiree benefit for District employees hired after July 1, 1997. The Post-97 Fund was established with the FA Post-1997 Health Benefits Reserve (\$250,000), the ACE Post-1997 Health Benefits Reserve (\$250,000), \$500,000 from Fund 600, and previously agreed to funding on the basis of tiered contributions per enrolled employee/retiree per month at the rate of \$2 employee-only; \$4 employee-plus-one; and \$6 employee-plus-family. In addition, for the 2018 Plan Year, funding on the basis of tiered contributions per enrolled employee/retiree per month shall continue at the rate of \$2 employee-only; \$4 employee-plus-one; and \$6 employee-plus-family. Future funding shall be subject to negotiation. The Post-97 Fund shall not increase the District’s GASB unfunded liability.

Further, a one-time allocation of funds in the amount of \$800,000 – that is, \$500,000 from non-RSF district funds plus \$300,000 from RSF funds – was paid as a benefit

allowance to all regular and contract (benefit eligible, excluding PT Faculty) employees in December of 2016 for Plan Year 2017. All contract and regular employees, on the same frequency as and amount of the benefit allowance, contributed to the benefits fund via a special deduction which was then redirected for the purpose of commitment to the Post-97 VEBA trust.

- d) The parties acknowledge that (a) the employee/retiree contribution rates specified herein are based on a gradual drawdown of Fund 600 – Benefits Rate Stabilization Fund; (b) and Fund 600 is one-time money and, dependent on future negotiations, may be depleted within several years;
- e) The parties further acknowledge that the \$1011 PEPM District contribution specified in Part V and used in the funding model shall not be deemed a “cap” for the purposes of negotiations upon expiration of this agreement; and
- f) Finally, the parties acknowledge that the District continues to face uncertain fiscal stability. The parties agree that the JLMBC shall continue to review the health insurance benefit costs and make recommendations regarding health insurance benefits, including plan coverage, associated costs, and contribution structures subsequent to the duration of this agreement.

SECTION VIII: ADDITIONAL PROVISIONS FOR SPECIFIC BARGAINING UNIT

The parties acknowledge there may be specific provision(s) relevant to each union’s collective bargaining agreement (CBA) and exclusively related to health benefits. Further, the parties agree to bring to the JLMBC any such benefit provision that may be relevant to, or have an impact on, the total cost of health insurance or the coverage provided to the other bargaining groups.

The additional provisions pertaining to the Faculty Association (FA) Paid Benefits Program (for Part-Time Faculty) are contained in Section VIII (a) attached at the end of this document.

AND
THE PARTICIPATING UNIONS OF THE JOINT LABOR MANAGEMENT COUNCIL
("JLMBC") COMPOSED AS FOLLOWS:
ASSOCIATION OF CLASSIFIED EMPLOYEES,
CALIFORNIA SCHOOL EMPLOYEES ASSOCIATION,
FACULTY ASSOCIATION,
POLICE OFFICERS ASSOCIATION,
AND TEAMSTERS

This Memorandum of Understanding is entered into by and between the Foothill-De Anza Community College District (District) and the following Unions: the Association of Classified Employees (ACE), the California School Employees Association (CSEA), the Faculty Association (FA), the Police Officers Association (POA), and the Teamsters.

The parties agree that the following provisions shall constitute an agreement between the Unions and the District on the topic of Paid Benefits for Retired Employees Hired After July 1, 1997. The provisions of this agreement are subject to ratification by members of the bargaining units, where required, and approval of the Board itself.

PAID BENEFITS FOR RETIRED EMPLOYEES HIRED AFTER JULY 1, 1997

Retirees who qualify under the term of their respective "paid benefits for retired employees hired after July 1, 1997" contract provisions are eligible to participate in the District's medical health insurance plans by contracting directly with CalPERS.

Qualifying employees and their eligible spouse or qualified domestic partner shall receive a health benefits bridge program to cover the period of time between retirement and eligibility for Medicare coverage. Under this program the District shall contribute monthly towards the payment of the retired employee's participation in the District-sponsored health plan as defined herein.

Effective January 1, 2018, during each month of eligibility under the program, the monthly contribution shall be \$400 per month.

The District shall also contribute monthly after retirement for any eligible spouse or qualified domestic partner, or surviving spouse or surviving qualified domestic partner as defined in the retired employee's respective applicable contract, an additional \$400 per month.

If the actual cost of the benefits selected by a covered individual amounts to less than the contribution, then the actual contribution shall be that which reflects the actual cost of the selected benefits.

The contribution rate of \$400 per month during each month of eligibility under the program shall remain unchanged for a 3-year period, effective January 1, 2018 through December 31, 2020.
