

## BENEFITS INFORMATION ON THE GO

### **Kaiser Permanente – On the Go!**

The KP mobile app gives you a suite of tools to use on the go! Use this application with your Kaiser Permanente user ID and password to:

- See your health history at your fingertips
- Refill prescriptions for yourself or another member
- Check the status of your prescription order
- Schedule, view, and cancel appointments
- Access your message center to email your doctor or another KP department
- Find KP locations and facilities near you

Register on [www.kp.org/calpers](http://www.kp.org/calpers) and search for Kaiser's mobile app in the App Store or Google Play to get started!

### **Anthem – On the Go!**

With Anthem's mobile app, you can:

- Find a doctor, hospital or urgent care facility
- Login to view your personal benefits information
- Fax or email your Mobile ID card from your smartphone or device directly to your doctor
- Contact Anthem Customer Support directly from the app

Register on [www.anthem.com/ca/calpers](http://www.anthem.com/ca/calpers) and search for Anthem's mobile app in the App Store or Google Play to get started!

### **Blue Shield – On the Go!**

The Blue Shield app provides you with greater access to your insurance information. Use the app to:

- View your personalized insurance dashboard
- Display your Blue Shield ID Card
- Locate physicians, hospitals, or other healthcare professionals nationwide
- Learn about benefit discount programs, like dental, vision and pharmacy

Register on [www.blueshieldca.com/calpers](http://www.blueshieldca.com/calpers) and search for Blue Shield's mobile app in the App Store or Google Play to get started!

### **Health Net – On the Go!**

Health Net Mobile is the easiest way to connect to a HealthNet.com online account and is designed to help you on the go. Use this application to:

- ☒ Quickly get plan, copay, and deductible information
- ☒ Access your Mobile ID card to verify eligibility
- ☒ Review plan details
- ☒ Search provider information
- ☒ View Health Net contact information

Register on [www.healthnet.com/calpers](http://www.healthnet.com/calpers) and search for Health Net’s mobile app in the App Store or Google Play to get started!

### **UnitedHealthcare’s Health4Me App!**

UnitedHealthcare’s Health4Me mobile application will help you manage your health care easier and faster! Use the app to:

- ☒ Search for Quick Care, either urgent care or emergency room services
- ☒ View and share your member ID card
- ☒ Access your account balance and check the status of benefit amounts, such as your deductible and out-of-pocket maximum
- ☒ View the latest claims for your plan

Register on [www.uhc.com/calpers](http://www.uhc.com/calpers) and search for the Health4Me mobile app in the App Store or Google Play to get started!

### **Western Health Advantage’s WHA Mobile App!**

Western Health’s MyWha mobile application will help you manage your health care easier and faster! Use the app to:

- ☒ Retrieve Digital ID cards for each family member which show PCP, group, plan, and copay information.
- ☒ Search for primary care physician (PCP) telephone numbers and addresses with Google Maps.
- ☒ Find links to medical and pharmacy plan summaries at [westernhealth.com](http://westernhealth.com).
- ☒ Find telephone & fax numbers for customer service, Nurse24 advice line, behavioral & mental health services, and premium billing/eligibility departments.

Register on [www.westernhealth.com/calpers](http://www.westernhealth.com/calpers) and search for the WHA Mobile app in the App Store or Google Play to get started!
