Post-Retirement Employment Election

I am requesting assignments under Article 21: Post-Retirement Employment following my resignation for purposes of retirement under the SRP.

Faculty who wish to request post-retirement assignments under Article 21 must submit this form to Human Resources by the SRP application deadline of February 6, 2026. If this form is not received by that date, the default will be that no post-retirement assignments are requested. Eligibility is subject to verification of STRS or PERS retirement status.
