

2026 BENEFITS OPEN ENROLLMENT

September 14 - October 9, 2026 | Pre-97 Hired Retirees

Your 2027 Benefits at a Glance

Open Enrollment is your once-a-year window to review coverage and make changes for plan year 2027. Elections take effect January 1, 2027 and stay in place through December 31, 2027, unless you have a qualifying life event.

Your Pre-97 Retiree Coverage

Eligible Pre-97 retirees may participate in the District's medical plans in the same manner as eligible employees, with the same plan choices and contribution levels, subject to CalPERS limitations. When you elect District medical coverage, District dental and vision coverage are included. Pre-97 retirees may not opt out of dental or vision coverage or elect dental and vision coverage without medical coverage.

Do You Need to Take Action?

If you are satisfied with your current coverage, you generally do not need to take action — your current elections will carry forward to 2027. If you want to change your medical plan, cancel coverage, or add or remove a dependent, contact CalPERS at 1-888-225-7377. For dental and vision plan changes, please contact the District Benefits Office.

Open Enrollment Deadline

Friday, October 9, 2026 at 5:00 p.m. is the deadline to submit all required documentation for newly added dependents. This includes, as applicable, a marriage certificate, birth certificate or passport, Social Security information, and [CalPERS Form HBD-30](#). Complete documentation must be received by CalPERS and the District Benefits Office by the deadline for dependent coverage to take effect January 1, 2027.

FOOTHILL-DE ANZA COMMUNITY COLLEGE DISTRICT

Combination Plans (families with both Basic and Medicare members) will end on January 1, 2027. During Open Enrollment, impacted members may choose another available CalPERS health plan. If no action is taken, CalPERS will automatically transfer members to another available plan based largely on provider continuity and geographic availability. For most Santa Clara County ZIP codes, the assigned plan is Blue Shield Access+ HMO; Alliance members in ZIP code 95033 will be assigned to Anthem Blue Cross Traditional HMO. *UnitedHealthcare Medicare Advantage PPO remains available for CalPERS Medicare retirees and is not being removed.*

- **Infertility coverage:** Beginning July 1, 2027, CalPERS Basic HMO and PPO plans will include coverage for the diagnosis and treatment of infertility, including expanded access to family-building services, specialized fertility providers, and care coordination under California Senate Bill 729.
- **Medicare plan updates:** Beginning January 1, 2027, Blue Shield Medicare Advantage PPO and UnitedHealthcare Medicare Advantage PPO will separate medical and pharmacy coverage into distinct plans. Members will receive separate ID cards for medical and prescription coverage. Coverage, copayments, and formularies will remain unchanged.
- **Dental enhancement:** Effective January 1, 2027, Delta Dental's annual maximum benefit will increase from \$2,000 to \$2,500 for services provided by a PPO network dentist. The \$1,800 annual maximum for non-PPO services will remain unchanged. The lifetime orthodontia maximum will increase from \$1,000 to \$2,000.
- **Vision enhancements:** Effective January 1, 2027, the VSP frame allowance will increase from \$120 to \$180 for standard frames and from \$140 to \$200 for featured frames.
